

NATIONAL WEBINAR ON NATIONAL INCOME: CONCEPTS & ISSUES

Date: October 1, 2021

Time: 7:15 -8:15 PM

Platform: Google Meet

Organised by: Department of Economics, HAAC

Keynote speaker: Prof. Mohd. Tarique, Department of Economics,
Aligarh Muslim University (UP)

Keeping in mind the SOP issued by the Government of Assam for Covid-19 situation, the Department of Economics has organised a national webinar on the topic 'National Income: Concepts and Issues'. The Principal of the college Dr M. A. Barbhuiya has initiated the discussion on the objective of the webinar. The keynote speaker Prof. Mohd Tarique, Department of Economics, Aligarh Muslim University was introduced by the Principal with the participants. With permission of the Principal, the speaker highlighted on the sources of national income and its impact in changing the life the people of a country. He focused the causes of low income and high income and compared the per capita income of developed and developing economy. The role of rural economy and its role in improving the fate of a nation was analysed using different slides. Finally, the speaker has interpreted several inherent problems and issues of Indian economy causing the downfall of our national income.

The webinar was moderated by A.H.Talukdar, Department of History and M. Islam. the HoD of the Department of Economics. About 59 students of the college including teachers of other faculties were the participant in the webinar. The webinar was concluded in time by the Principal with heartfelt thank to keynote speaker and all participants.
