In the midst of lockdown for Covid-19, the Department of History and Computer Cell of the Haji Anfar Ali College, Doboka in association with the Kaziranga University, Jorhat (Assam) has organised a national webinar through platform of Microsoft Team & YouTube Live Streaming on 14 Sept, 2020 at 2:00 PM.

The Principal of the college Dr. M. A. Barbhuiya initiated the discussion on the topic of the webinar inviting participants to join the webinar through the link provided. Both the invited resource persons as keynote speakers were introduced by the principal to the students and faculty participants.

The webinar was anchored by Mr. A.H. Talukdar, Associate Professor, Dept. of History and convener of the Computer Cell MR. A.S.Talukdar. The keynote speaker Dr. Sajal Saha outlined main objective of the NEP 2020 formulated modalities of education system. He pointed out the differences of methods of imparting education of NEP 2020 with the earlier methods of computer education system. He highlighted the positive aspects of the NEP 2020 and need of hour of computer education in the new education policy. Similarly, Dr. Purnendu B. Acharjee discussed how the knowledge of computer education can help a student to acquire and acquaint him with new learning methods of education. The student participants interacted with the keynote speakers on varied issues and problems of students with the introduction of NEP 2020.

The Principal Dr. Mamun Azam Barbhuiya thanked both the speakers for sparing their valuable time for our students and blessings to participants for their sincere cooperation and interaction. The webinar was concluded with vote of thanks by Mr. A.H. Talukdar, HoD of the Dept. of History.

Sd/- Mr. A.H.Talukdar, HoD, Dept. of History.

MR. A.S.Talukdar, Convener, Computer Cell,
