

Visit of Principals of Mayang Anchalik College and Jagiroad College: A Collaborative Effort

Dr. Mahananda Bora, Principal of Mayang Anchalik College, Rajamayang, Morigaon, and Dr. B. C. Neog, Principal of Jagiroad College, Morigaon, conducted a visit to Haji Anfar Ali College on 29/05/2023 for an Academic and Administrative Audit. The purpose of the visit was to assess the academic and administrative activities of Haji Anfar Ali College and foster collaboration between the institutions.

Mayang Anchalik College and Jagiroad College, had received accreditation from the National Assessment and Accreditation Council (NAAC) with a remarkable Grade A+. The visit served as an opportunity for the colleges to share best practices and enhance academic and non-academic activities through collaboration.

During the visit, the team interacted with the teaching and non-teaching staff of Haji Anfar Ali College. The Heads of Departments presented detailed reports on their department activities, providing insights into the functioning of various departments at Haji Anfar Ali College. The presentations highlighted the accomplishments and challenges faced by each department.

The team also inspected the college facilities, including the library, computer center, smart classrooms, and the ICT Room. Based on their observations, several recommendations were made to improve the infrastructure and academic offerings of Haji Anfar Ali College.

Firstly, it was suggested to establish an e-corner within the library, providing students and faculty with access to digital resources and online research materials. This initiative would enhance the availability of digital content and support research and learning processes.

Secondly, the team recommended the construction of a ramp to facilitate easy access for persons with disabilities throughout the college premises. This infrastructure improvement would promote inclusivity and equal opportunities for all students.

Thirdly, it was advised to implement proper documentation and organization of books on the library bookshelves. This would enhance accessibility and ease of use for library users, ensuring a well-maintained and user-friendly library environment.

Additionally, the team proposed introducing more certificate or value-added courses to enrich the academic offerings. These courses would cater to the diverse interests and career aspirations of the students, providing them with a broader range of educational opportunities.

Moreover, the team emphasized the importance of collaboration with other institutions and NGOs. Establishing partnerships would facilitate knowledge exchange, research collaborations, and community outreach programs, enhancing the college's overall development and impact.

During the visit, Memorandums of Understanding (MoUs) were signed separately between Haji Anfar Ali College and Mayang Anchalik College, as well as Jagiroad College. These MoUs symbolize the commitment of the institutions to foster collaborative efforts in academic and non-academic activities, promoting mutual growth and development.

In conclusion, the visit of Dr. Mahananda Bora and Dr. B. C. Neog to Haji Anfar Ali College was a fruitful endeavor in assessing and strengthening the academic and administrative aspects of the institution. The recommendations provided valuable insights and opportunities for improvement. By implementing these suggestions, Haji Anfar Ali College can enhance its infrastructure, academic programs, and community engagement initiatives, furthering its commitment to quality education and holistic development.

The visit was a testament to the collaboration between colleges and the shared commitment to continuous improvement in the education sector. Dr. Mahananda Bora, Dr. B. C. Neog, and the team expressed their appreciation to the Heads of Departments, teaching and non-teaching staff, and the entire team at Haji Anfar Ali College for their warm welcome and active participation throughout the visit. They reiterated their support and commitment to assisting Haji Anfar Ali College in implementing the recommended improvements.

Overall, the visit served as a significant step towards enhancing the academic and administrative standards of Haji Anfar Ali College, while also strengthening collaboration and knowledge-sharing among educational institutions.
