Principal's Welcome

Doboka College, renamed as Haji Anfar Ali College in 1991, established in June 1986 with Its own distinct identity and tradition has been serving as the tower of learning for hundreds of youths for a better tomorrow. The College has emerged as a leading centre for teaching and learning in the field of higher education in South-eastern part of undivided Nagaon district of Assam.

I am happy to note that the college has clear and proper mission and vision-great teaching combined with a strong focus on students aspirations achievement and personal development-and is constantly equipping the college to attain the vision and mission of the college. I encourage all students to take advantage of the opportunities provided by the college and involve themselves in all the extra- curricular activities that are offered. Hard work dedication and perseverance are the most important traits in a person that lead to success. The future belongs to you: your need therefore is to prepare yourself for an active participation in the academic and non-academic events of the college. This participation demands that you become well informed and hence develop yourself like a pioneer and ultimately grow as responsible men and women.

The reputation, the college has acquired and established over the last three decades of the effective operation is due to the dedication and selfless commitment of teachers, supporting staff, and the students.

I am honoured and feel very privileged to be the Principal of Haji Anfor Ali College (am always excited and look forward to working with our students, staff and parents to make Haji Anfar All College the best college it can be.

We are constantly looking for ways to improve, in order to serve our families and the community with the very best education to offer, I am confident that we will with the support of our students, teachers and other stakeholders continue to thrive and prosper Hence I urge all the freshers to make optimum use of the learning resources available in the campus be punctual in attending classes regularly and to be in constant touch with our dedicated teachers who have carved a niche in field of teaching.

Parents and visitors compliment us on the warm and orderly learning atmosphere and our strong sense of community. We encourage all our students to develop high expectations about themselves, their work and their behaviour, which is an expression of our values of Personal Best Integrity, Respect and Responsibility.

Remember together we stand strong
With Regards

FOUR YEARS UNDERGRADUATE PROGRAMME (FYUGP) IN BRIEF:

The NEP envisages several transformative initiatives in higher education. These include:

Introducing holistic and multidisciplinary undergraduate education that would help develop all capacities of human beings - intellectual, aesthetic, social, physical, emotional, ethical, and moral - in an integrated manner; soft skills, such as complex problem solving, critical thinking, creative thinking, communication skills; and rigorous specialization in a chosen field (s) of learning.

Undergraduate degree programmes of either 3 or 4-year duration, with multiple entry and exit points and re-entry options, with appropriate certifications such as:

- UG certificate after completing 1 year (2 semesters) of study in the chosen fields of study,
- UG diploma after 2 years (4 semesters) of study,
- Bachelor's degree after a 3-year (6 semesters) programme of study,
- 4-year bachelor's degree (honours) after eight semesters programme of study. If the student completes a rigorous research project in their major area(s) of study in the 4th year of a bachelor's degree (honours with research).
- 4-year bachelor's degree programme is considered a preferred option since it would provide the opportunity to experience the full range of holistic and multidisciplinary education in addition to a focus on the chosen major and minors as per the choices of the student.

Major and Minor disciplines:

Major discipline is the discipline or subject of main focus and the degree will be awarded in that discipline. Students should secure the prescribed number of credits (about 50% of total credits) through core courses in the major discipline. Minor discipline helps a student to gain a broader understanding beyond the major discipline. For example, if a student pursuing an Economics major obtains a minimum of 12 credits from a bunch of courses in Statistics, then the student will be awarded B.A. degree in Economics with a Minor in Statistics.

Awarding UG Certificate, UG Diploma, and Degrees UG Certificate:

Students who opt to exit after completion of the first year and have secured 40 credits will be awarded a UG certificate if, in addition, they complete one vocational course of 4 credits during the summer vacation of the first year. These students are allowed to re-enter the degree programme within three years and complete the degree programme within the stipulated maximum period of seven years.

UG Diploma:

Students who opt to exit after completion of the second year and have secured 80 credits will be awarded the UG diploma if, in addition, they complete one vocational course of 4 credits during the summer vacation of the second year. Such students are al-

lowed to re-enter within a period of three years and complete the degree programme within the maximum period of seven years.

3-year UG Degree:

Students who wish to undergo a 3-year UG programme will be awarded UG Degree in the Major discipline after successful completion of three years, securing 120 credits and satisfying the minimum credit requirement.

4-year UG Degree (Honours):

A four-year UG Honours degree in the major discipline will be awarded to those who complete a four-year degree programme with 160 credits and have satisfied the credit requirements.

4-year UG Degree (Honours with Research):

Students who secure 75% marks and above in the first six semesters and wish to undertake research at the undergraduate level can choose a research stream in the fourth year. They should do a research project or dissertation under the guidance of a faculty member of the University/College. The research project/dissertation will be in the major discipline. The students who secure 160 credits, including 12 credits from a research project/dissertation, are awarded UG Degree (Honours with Research).

UG Degree Programmes with Single Major:

A student has to secure a minimum of 50% credits from the major discipline for the 3-year/4-year UG degree to be awarded a single major. For example, in a 3-year UG programme, if the total number of credits to be earned is 120, a student of Physics with a minimum of 60 credits will be awarded a B.Sc. in Physics with a single major. Similarly, in a 4-year UG programme, if the total number of credits to be earned is 160, a student of Physics with a minimum of 80 credits will be awarded a B.Sc. (Hons./Hon. With Research) in Physics in a 4-year UG programme with single major.

UG Degree Programmes with Double Major:

A student has to secure a minimum of 40% credits from the second major discipline for the 3-year/4-year UG degree to be awarded a double major. For example, in a 3-year UG programme, if the total number of credits to be earned is 120, a student of Physics with a minimum of 48 credits will be awarded a B.Sc. in Physics with a double major. Similarly, in a 4-year UG programme, if the total number of credits to be earned is 160, a student of Physics with a minimum of 64 credits will be awarded a B.Sc. (Hons./Hon. With Research) in Physics in a 4-year UG programme with double major.

Interdisciplinary UG Programmes:

The credits for core courses shall be distributed among the constituent disciplines/subjects so as to get core competence in the interdisciplinary programme. For example, a degree in Econometrics requires courses in economics, statistics, and mathematics. The total credits to core courses shall be distributed so that the student gets full competence

in Econometrics upon completion of the programme. The degree for such students will be awarded as B.Sc. in Econometrics for a 3-year UG programme or B.Sc. (Honours) / B.Sc. (Honours with Research) in Econometrics for a 4-year UG programme.

Multidisciplinary UG Programmes:

In the case of students pursuing a multidisciplinary programme of study, the credits to core courses will be distributed among the broad disciplines such as Life sciences, Physical Sciences, Mathematical and Computer Sciences, Data Analysis, Social Sciences, Humanities, etc., For example, a student who opts for a UG program in Life sciences will have the total credits to core courses distributed across Botany, Zoology and Human biology disciplines. The degree will be awarded as B.Sc. in Life Sciences for a 3-year programme and B.Sc. (Honours) in Life Sciences or B.Sc. (Honours with Research) for a 4-year programme without or with a research component respectively. The statutory bodies of the Universities and Colleges such as the Board of Studies and Academic Council will decide on the list of courses under major category and credit distribution for double major, interdisciplinary and multidisciplinary programmes.

Eligibility for the UG Programmes :

Senior Secondary School Leaving Certificate or Higher Secondary (12th Grade) Certificate obtained after successful completion of Grade 12 or equivalent stage of education corresponding to Level-4. 3.4

Duration of the Programme :

The duration of the UG programme is 4 years or 8 semesters. Students who desire to undergo a 3-year UG Programme will be allowed to exit after completion of the 3rd year. If a student wants to leave after the completion of the first or second year, the student will be given a UG Certificate or UG Diploma, respectively, provided they secure the prescribed number of credits (as given in table 3). Students who exit with a UG certificate or UG diploma are permitted to re-enter within three years and complete the degree programme.

Computation of SGPA and CGPA :

The UGC recommends the following procedure to compute the Semester Grade Point Average (SGPA) and Cumulative Grade Point Average (CGPA): i. The SGPA is the ratio of the sum of the product of the number of credits with the grade points scored by a student in all the courses taken by a student and the sum of the number of credits of all the courses undergone by a student, i.e. $SGPA (S_i) = \sum (C_i \times G_i) / \sum C_i$ Where C_i is the number of credits of the i th course and G_i is the grade point scored by the student in the i th course. The Cumulative Grade Point Average (CGPA) is also calculated in the same manner taking into account all the courses undergone by a student over all the semesters of a programme, i.e. $CGPA = \sum (C_i \times S_i) / \sum C_i$ where S_i is the SGPA of the i th semester and C_i is the total number of credits in that semester.

ANNEXURE A

Proposed Timeline for launch of SAMARTH e-Gov portal for admissions to UG programme

TIME-LINES		
Sl. No.	Action	Date of completion
1	Date of launching of the Assam State Higher Education Admission Portal on Samarth	14 June, 2023
2	Date of opening for application through SAMARTH	14 June, 2023
3	Date of closing of application through SAMARTH	28 June, 2023
4	Date of publication of 1st merit list by the Colleges/Universities	04 July, 2023
5	Closing of offline Admission in 1 st Merit List	07 July, 2023
6	Publication of 2 nd Merit List	08 July, 2023
7	Closing of offline Admission in 2 nd Merit List	11 July, 2023
5	Publication of 3 rd Merit List	12 July, 2023
6	Closing of offline Admission in 3 rd Merit List	15 July, 2023
7	Spot Admissions (Offline)	17-18 th July, 2023

Important points

- Colleges are given direct access to the platform to feed own data ensuring correctness
- Because SAMARTH platform is launched this year, the colleges are given the privilege of preparing their own merit list.
- Students can give 10 options of UG programme in Colleges/University in the application.
- Colleges/universities have to ensure correct configuration of data, for example, subjects approved by the parent university, number of seats available against each programme, major seats/minor seats, subject groups etc.
- Assam Govt. Fee waiver scheme to be linked to SAMARTH. As such all the deserving students can avail fee waiver only when the students apply through the SAMARTH platform.
- There may be provision for spot admission, as deemed necessary.

Advantages

- Students will be free from the hassles of applying individually at different colleges.

2. BRIEF HISTORY:

Haji Anfar Ali College, the premier seat of higher learning was put on a firm foundation in the mid 80s of the twentieth century at Daboka, the newly formed Hojai District in Assam. It is an irony that even after the passage of four decades of independence, there had been no institution of higher learning until 1986 in such a place of historical significance. Though late, the thought of setting up an institution of higher education took shape in the minds of the intelligentsia and Haji Anfar Ali College is the ultimate fruition of the hopes and aspirations of the people at large of this area. Formerly known as 'Doboka College', the institution was formally initiated with a few students in the TDC classes in the year 1986 with due permission from the Gauhati University. The first building of the college was donated by the famous Anfar family of Hojai. In kind consideration to the long-felt need of a college and paying tribute to their generosity, the sponsoring body of the college renamed it as 'Haji Anfar Ali College' after the name of their heavenly father.

The philanthropic donors of Anfar family have never turned a blind eye to the needs of the college. They contributed a handsome amount for the construction of a central library cum administrative building of the college. Acknowledging their generous contribution, the college authority also named the two blocks of the building after the names of their mothers as Sam-sun Nehar Begum Library and Juhra Begum Administrative Block. However, the college has built up a New Administrative Building with the grants offered by the State Govt. capacitating in it the office of the Principal and the different Departments and classrooms.

Haji Anfar Ali College, Doboka was granted recognition by the University Grants Commission under section 2(f) and 12(B) of the UGC Act, 1956 in the year 2009

and since then the college has been getting financial assistance from UGC under its different schemes such as Indoor Stadium, UGC Network Resource Centre, Extension of Classrooms, Computer lab etc. and of late a Women's Hostel with Warden's Quarter.

The College has been consistently maintaining high academic standards and good institutional social responsibilities. The college is permanently affiliated to the Gauhati University, Assam and it had gone for the NAAC assessment and accredited with a prestigious C++ Grade in the year 2005 for the first time. The IQAC of the college has been taking initiatives for accreditation measure to carry out and implement the initiatives and responsibilities of the college. The IQAC has been acting effectively in compliance with the recommendations of the Peer Team, NAAC in implementing the diverse quality enhancing measures during the Post-accreditation period and thus brought the institution to the stage for 2nd Cycle of Assessment and Accreditation by the NAAC. In that stage of assessment, the college is able to achieve a prestigious grade "B" from NAAC, Bengaluru in 2016. This grade is the outcome of the collec-

tive and continuous efforts of the stakeholders of the college. Now we are working hard for the future course of actions planned by the IQAC of the college to make it an ideal institution in the field of higher education.

3. LOCATION

Free from the din and bustle of the town, the college is located in an ideal site, about ½ k.m. away from NH 54 (Golden Quadrilateral). The 30-bedded Hospital (CHC), Binnakandi Development Block, Telephone Exchange and some educational institutions stand near by the college. It is easily accessible from Nagaon, Hojai and Karbi-Anglong.

4. GOAL

The goal of the college is to generate new values in society without disrupting its heritage in view of the spirit of the place itself. The college aims at excellence in academic life. In attaining knowledge in the proper perspective and rising to the challenges that come along their way, the students must pursue knowledge with focus and perseverance with the aim to become the 'MAN OF MEN.'

5. OBJECTIVES

- To impart and disseminate higher education both in letter and spirit.
- To create an atmosphere of social harmony and amity.
- To popularise the ideals of national integration, secularism and democracy.
- To foster a scientific outlook amongst the youths.
- To encourage leadership qualities amongst the youths.
- To lay special emphasis on teaching, research and extension activities as per the
- To promote work culture with the ethic: 'Service Before Self'. guidelines of the University Grants Commission (U.G.C.)
- To popularise the indigenous arts and crafts.
- To inspire the students to preserve what is pure in our environment and to educate them to keep it unpolluted.

6. Academic Programmes 2023-24

Haji Anfar Ali College is a B.A. Arts College with the course and curriculum formulated by Gauhati University

A. CBCS

See G.U. website for details CBCS guidelines <http://web.gauhati.ac.in/courses/>

The Choice Based Credit System (CBCS) as an innovative talent and skill based effective system, ensuring greater freedom of choice and mobility in academic pursuit, envisages the following key features.

- ➔ CBCS marks a shift in focus from the teacher-centric to student-centric education.
- ➔ Students may undertake as many credits as they can cope with (without repeating all courses in a given semester if fail in one/more courses)
- ➔ This system allows students to choose inter-disciplinary, interdisciplinary courses, skill oriented papers (even from disciplines according to their learning needs, interests and aptitude)
- ➔ CBCS marks education broad based and at par with global standards. One can take credits by combining unique combinations. For example, Physics with Economics, Microbiology with Chemistry or Environment Science, etc.
- ➔ CBCS offers flexibility for students to study different times and at different institutions to complete one courses.

10. CAREER ORIENTED PROGRAMMES (COP)

1. COMMUNICATIVE ENGLISH (Self Financing)
2. FASHION DESIGNING (Self Financing)

Nature of the Courses	:	Certificate / Diploma / Adv. Diploma
Eligibility	:	10+2 qualification
Issue of Certificate	:	Certificates are issued jointly by Gauhati University and Haji Anfar Ali College

ABOUT COP :

Globalisation of education and economy has led the University Grants Commission (UGC) to reorient and reshape its policies and programmes to make the current Indian Higher Education System more relevant and career-oriented with focus on quality and excellence. It is envisaged that professionally qualified graduates with a sound knowledge of their core disciplines and expertise in a concerned skill will have more openings in service, industry and self-employment sectors. Demand and scope for such professionally trained graduates are visible in the applied fields of almost all basic/core disciplines and faculties in the current changing global scenario and is likely to increase in the future. To meet this challenge, the UGC encourages incorporation of skill oriented and value added, add-on courses in colleges/Universities to be opted by students as a parallel sub-discipline while pursuing their degree level education.

It is in this spirit that Haji Anfar Ali College has introduced two very highly relevant UGC-sponsored career-oriented courses – Communicative English and Fashion Designing – for the students of the College. The objective of these courses is to enhance career oriented skill and thus enable the students to get both self-employment and gainful employment in the job market today. At the end of each of the courses, the students will be awarded with a Certificate with the credit of an add-on orientation course along with their conventional degree. Both these courses– Communicative English and Fashion Designing – are being run at the college with a great deal of success already achieved.

COORDINATORS :

Communicative English	:	Dr. Hasinus Sultan Associate Professor, Dept. of English Phone No. 9435065924

16.3. IQAC'S NEW INITIATIVE

IQAC believes that education should nurture a love of learning, a sense of curiosity, a sense of self-worth and a sense of responsibility. We want our students to feel valued, happy and successful. Teaching and Learning at Haji Anfar Ali College is focused on the individual. It is about developing the learners to achieve their very best. It is about unlocking potential and opening minds. Characteristics of the IQAC is providing the academic accuracy as well as supporting the students' personal development initiating some best practices to address their objections that may stand as a problem in their learning process. With this aim in view IQAC initiates a Platform for the learners of the college to meet their Principal Friend (Head of the Institution) freely and share their academic as well as personal difficulties etc.

16.4. COMMITMENT:

The IQAC has a strong sense of community and of purpose. IQAC wants each student to fulfil their academic, sporting and creative potential, because that opens doors to their future. But we believe that education is not confined to the classroom or to the requirements of examinations. We want to provide opportunities for each child to discover and enjoy their individual talents, interests and passions. We want each child to learn teamwork and leadership skills; to learn how to take risks in a safe environment, to learn how to cope with failure as well as success; and, most importantly, to be happy. We are accredited by the NAAC and awarded by Grade B. In order to upgrade us and to remain strict to the commitment, this new venture MEET THE PRINCIPAL is another best practice adopted by the IQAC, Haji Anfar Ali College.

16.5. FUTURE PLAN:

- for
1. To enhance collaborative research among the departments and to take initiative inter-institutional collaboration
 2. To strengthen the liaison among the stakeholders like, students, teachers , par-employers etc.
